Compass Regional Hospice chose Lorraine Sincavage of Stevensville as the most recent volunteer of the month. Lorraine volunteers at Estate Treasures, an upscale resale shop that benefits Compass Regional Hospice.

As a long-serving volunteer, having recently celebrated her 10-year anniversary, Lorraine has dipped her hands into just about everything that is involved with operating the shop. She is currently on the Estate Treasures committee,

where she is responsible for helping to manage shop operations and plan fundraising events, but you can also find her organizing inventory or working on the sales floor.

“Lorraine always has the shop and volunteer’s best interests in mind,” says Courtney Williams, Manager of Volunteer and Professional Services. “It is because of dedicated volunteers like Lorraine who work tirelessly to ensure that Estate Treasures will continue to be around to help fund hospice care in our community for years to come.”

Since opening in 1991, Estate Treasures has been solely run by volunteers who have made it possible to raise over \$2 million to offset unfunded hospice care and grief support programs offered through Compass Regional Hospice. Today, the shop is run by more than 100 men and women, who dedicate their time and talents to sustaining the mission of Estate Treasures.

Estate Treasures is located at 17 Kent Towne Market in Chester. Store hours are 10:00 a.m. to 4:30 p.m., Monday through Saturday with extended hours until 6:00 p.m. on Wednesday. All retail sales are tax free. Donations of clean, gently used items in good condition are accepted during store hours.
